## **OFFICIAL CHARITY**

In 2009, Richie started the iSport Foundation with a few of his mates to help kids in New Zealand who are doing it tough and want to play sport, run or kick a ball around, but for one reason or another can't afford it.

The iSport Foundation is a recipient charity of Tough Mudder New Zealand and Richie is asking all participants to help raise money to help kids pay for their sports subs, shoes and uniform for a season. It isn't much but together we can make a huge difference to that child, their family and the wider community.

## **SAFETY**

- Do Not attempt electric shock if you have certain health conditions, epilepsy or a pacemaker
- You **MUST** be able to swim 25 meters if you attempt any water obstacles
- If you do not feel comfortable completing any obstacle, **DO NOT** attempt it; simply continue onto the next obstacle via the bypass lane

## **MUDDER PRO TIPS**

Leave a little bit of extra time when arriving for your start wave. This will allow you enough time to get ready to warm up before you take on the course. Please bring cash, there will be no cash machines on site.

## **HEAD CAM**

If you are planning on wearing a head cam, please put your name and address inside the casing. Take it off and hold onto it for all obstacles featuring water. It will come off.

\*while we endeavour to retrieve and send back as many head cams as possible, the nature of our obstacles and unidentifiable nature of the cameras make this very difficult. You are taking a head cam onto the course at your own risk.

## **START TIMES**

Please check your allocated start time when they are released Wednesday 1st November. It is compulsory you stick to your assigned wave start. The first start wave on Saturday is 8:00 am and Sunday 8:30am, the last start wave on Saturday is 12:40pm and Sunday 9:40am.

## **FINISHER EXPERIENCE**

Once you have your headband and are across the finish line, please take your time to enjoy all your rewards. Along with a DB Beer you will also receive your Merrell Finishers T-Shirt.

Please make sure you collect all your finishers rewards; once you have exited the finish you will not be allowed back in.

## **BAG DROP - PLEASE BRING \$5 CASH**

Please take only your necessary requirements into the base area (Car Keys, ID, Wallet, Towel). Put all your teams belongings together in one bag to reduce your waiting times at collection.

\*Your belongings are left at bag drop at your own risk. While Bag Drop is monitored all day, Tough Mudder cannot guarantee the security of your belongings.

## **VOLUNTEERING**

Still have friends who are on the fence or have someone coming to watch? Tell them to volunteer, it is a great way to see what Tough Mudder is all about and they receive a discounted ticket for a future Tough Mudder Event. Find out more by emailing [info@toughmudder.co.nz](mailto:info@toughmudder.co.nz)

## **PHOTOS**

A Small selection of promotional photos will be available on the Tough Mudder NZ website shortly after the event.
